

THE FUTURE LOOKS

bright

the future looks bright!

Scott Hibbs, CFA Board Chair
President, Enprotec/Hibbs & Todd, Inc.

Katie Alford, President / CEO
Community Foundation of Abilene

Mahatma Gandhi once said, “The future depends on what we do in the present.” That is absolutely true when it comes to the Community Foundation of Abilene. What you, our donors, choose to do today with your charitable giving will impact lives in the future – in ways you’ve probably never even imagined.

You know how you want to help others, and by setting up endowment funds now, you can ensure you’ll be impacting lives way into the future. The pages ahead are filled with many things that make our future look BRIGHT; donors looking ahead to make sure our community always shines, grants that provide positive role models that will help create a firm foundation for our youth, and many other accomplishments worthy of being celebrated.

Have you ever wondered what things might be like if it hadn’t been for those coming before us thinking ahead and dreaming big? Thanks to you, our generous donors, over \$7.7M was awarded in grants helping over 90 graduates attend vocational schools and college and assisting our local nonprofit agencies do what they do best. Each of you are playing a huge part in making our community a bright and colorful place to live.

As the Foundation prepares for the future, you’ll see that we are in the middle of planning to build and move to a new home in 2017. We are getting more and more excited about what this will mean for the Foundation. The added visibility and accessibility will ensure our future will be bright! Thank you to all who supported this project. I think it’s going to be great to be part of downtown Abilene and have a presence we’ve not had before.

Thank you to all of our donors and supporters who have gotten us to where we are today. You put “Bright” into our future!

Katie

Katie Alford,
President / CEO

our mission

Growing and investing charitable endowments to benefit our area. **Serving** as a vehicle for donors’ varied interests. **Awarding** grants for important community needs. **Providing** philanthropic leadership to enhance our community.

Confirmed in Compliance with National Standards for U.S. Community Foundations

denny family foundation

Michael Austin Denny

Mike and I established the Denny Family Foundation fund at the Community Foundation in 2012. At the same time, we also set up the M.A.D. Foundation fund in memory of our son, Michael Austin Denny. Both of these donor advised funds make it possible to receive tax deductions for charitable giving to non-profit organizations that we choose to support.

We grew up in Abilene and are fortunate to be able to support several organizations through our two funds at the Community Foundation. Grants from the Denny Family Foundation support our church, the Church of the Heavenly Rest, Make -A- Wish Foundation, United Way of Abilene, Center for Contemporary Arts, and other organizations which we support and have served on their boards.

The M.A.D. Foundation supports non-profits related to substance abuse. One of these organizations is "Shatterproof". It is a national organization committed to protecting loved ones from addiction to alcohol or other drugs and ending the stigma and suffering of those affected by this disease.

Looking forward to the future, Mike and I hope that we will be able to continue giving to these funds. As they grow, our family will be able to give more to hopefully help and encourage others in need. A favorite verse of mine is, *"From everyone who has been given much, much will be demanded; and from the one who has been entrusted with much, much more will be asked."* — Luke 12:48

The Community Foundation allows those who have been entrusted with much to give more donations in a very efficient way for years to come. — Julie Denny

Many donor advised fund holders use **Community Connection**, a publication that the Foundation provides each discretionary grant cycle that gives a brief description of grants submitted and allows donors the opportunity to participate in grantmaking. In 2015, over \$116,000 was contributed through **Community Connection** by donor advisors.

A DONOR ADVISED FUND is a convenient way to accomplish your giving today; you recommend the grants - we do the work.

The Center for Contemporary Arts was founded in 1989 with the support of the Abilene Cultural Affairs Council to provide enriching and educational experiences for the region's communities through the promotion and support of artists.

The CCA partners with several agencies in Abilene to provide therapeutic art activities to various individuals through the **ArtHEALs** (Healthy Empowerment through Arts Learning) program. One of these partnerships was developed by the CCA, and funded by the United Way of Abilene to offer warriors (both active duty military and veterans) an opportunity for self-expression and healing. This special group of men and women often struggle with feelings of anxiety and depression due to horrific experiences in their military service. This program can help them express and cope with emotions and build resiliency.

ArtHEALs uses creative methods to help address social, behavioral and emotional issues, thus helping one make sense of how they fit into their world. Therapeutic activities include artistic expression through closed eye drawing to music, movement, creating simple clay figures, creating musical instruments and more. In addition to serving local warriors, the ArtHEALs program is also utilized for multiple at-risk youth groups.

The disease of addiction is a journey walked by many ... **Shatterproof** is a **national organization** committed to protecting our loved ones from addiction to illicit and prescription drugs and alcohol, and ending the stigma and suffering of those affected by this disease.

big brothers big sisters

When T.J. and Chief Bell have lunch, it is definitely a power lunch! Once a week Fire Chief Larry Bell arrives at T.J.'s school, along with other Abilene firefighters, in what else but a shiny red firetruck, ready to spend the next half hour visiting and mentoring with his "little". T.J. is a cool kid! His interests are typical of a guy his age - sports, games, and friends. He is very social and ready to talk and play as soon as they

sit down. It is not uncommon for him to be waving and greeting his friends as they walk by informing his "big" a little about each of them as he sees them; eating lunch is secondary.

Several years ago the City of Abilene began a recruitment initiative, "30 Mentors in 30 days", to educate city employees about mentoring a young child through Big Brothers Big Sisters' site-based program known as "Lunch Buddies". The Abilene Fire Department was eager to begin making a difference in the lives of these children! This program makes a positive impact on the lives of Abilene kids and on the mentors in the program. "I have visited with the firefighters serving as mentors and it is evident they have taken a lot from the experience. They have shared funny stories as well as stories that are touching," says Chief Bell. "Real life is being shared." Chief Bell has been a mentor in the community-based program, so he had an idea of what to expect. He says what he didn't anticipate was the relationships that he would develop with the other students, the teachers, and the school staff.

A grant from the Community Foundation's discretionary grant cycle was awarded to support the mentoring program of Big Brothers Big Sisters. It helps at-risk youth achieve higher aspirations, greater confidence and better relationships while also avoiding risky behaviors and achieving educational success. Big Brothers Big

Sisters matches a carefully screened and trained volunteer mentor with a child in need of guidance. These matches are supported by a caseworker who monitors the safety of the relationship through monthly conversations with the parent, the child, and the mentor.

"My hope is that my "little" benefited from our time together as much as I did. I am thankful for the opportunity and look forward to next school year. I have taken a lot from the match. Life is about relationships, and the relationship I have with T.J. is an important one in my life. He makes me smile and he gives me good perspective on what is important," says Chief Bell.

"Larry is a good friend and brother type and gives me lots of help with math. He encourages me and cares about me. He always tells me I am a good person. We like to play games and talk about boy stuff together," said T.J.

Big Brothers Big Sisters

Community Foundation of Abilene

The Abilene Fire Department Lunch Buddy Program has 18 current matches and has served 26 total children.

a new bright spot in downtown!

How do you keep up with the ever changing needs of a community? By making choices today that shape the lives of tomorrow. For the last thirty years, the Community Foundation of Abilene has been reaching toward the future in all that we do. Our assets have grown enabling us with each passing year to increase the quantity and size of grants to help our community; the number of donors establishing funds at Community Foundation continues to multiply; more students are assisted through scholarships every spring; and, new funds and programs continue to be created to meet the needs of our community. The growth and stability of the Foundation and the need for additional office and meeting space, pushed to the fore front of our staff's and board's mind that perhaps it was time to consider a permanent home. We need a more flexible and accessible location, and we want to be part of downtown Abilene!

Just west of Frontier Texas! and across the street from the farmer's market is 850 North 1st – the site of our new home. The new location will allow us to be a visible part of the growth and redevelopment occurring downtown and will definitely be a bright spot to this area. It will be much easier for you to visit us. We'll have easy parking that will be close to the front door and no elevator rides!

We have enlisted one of Abilene's most talented architects, Rick Weatherl, to design our building, which will be a mixture of the old and the new. Weatherl is an expert in renovating old structures and creating new buildings that blend perfectly with our historic downtown area. An existing 3,600 square foot warehouse will be transformed into a community meeting space that will allow us to host small donor receptions and seminars for area nonprofits. To that, 4,600 square feet of new construction will be added. This area will provide

Bird's eye perspective

office space for foundation staff and allow for future growth.

This upcoming building project would not be possible without the generosity of so many. Thank you for being part of our future! In the upcoming weeks, we will celebrate with a ground-breaking event, and construction will commence. We will keep you posted on the progress. (Of course, we hope you drive by and check on things, too.) We look forward to this time next year when we hope to be welcoming you in for a tour of our new home!

what your gifts make possible

discretionary grantmaking

Human Services

Big Country Court Appointed Special Advocates (CASA): Grant funds were used to recruit and train volunteers to advocate for the best interest of foster children as they navigate our court system. These highly-trained and dedicated volunteers are serving the needs of abused or neglected children so they can feel safe, establish permanency, and have the opportunity to thrive.

Education

Bethel United Methodist Church: Bethel's Community Outreach program offers educational and skills classes to help participants succeed. The classes include GED preparation, ESL, sewing and more. The program offers more than a certificate; it provides hope for families involved.

Arts & Culture

Arts – Chorus Abilene: Chorus Abilene is dedicated to providing young people and trained adults a place to become better musicians. They are comprised of 4 auditioned choirs that rehearse weekly and perform locally throughout the year. Scholarships and professional development opportunities have been supported through the CFA Discretionary grants.

Culture – Abilene Arts Alliance: The AAA's mission is to support, promote, and encourage the cultural life of Abilene. Various organizations and projects are housed under the AAA, including Young 'Audiences, the Children's Performing Art Series, and the Children's Art and Literacy Festival (CALF). The CFA made numerous grants to the AAA, supporting multiple programs and serving thousands of citizens.

Children & Youth

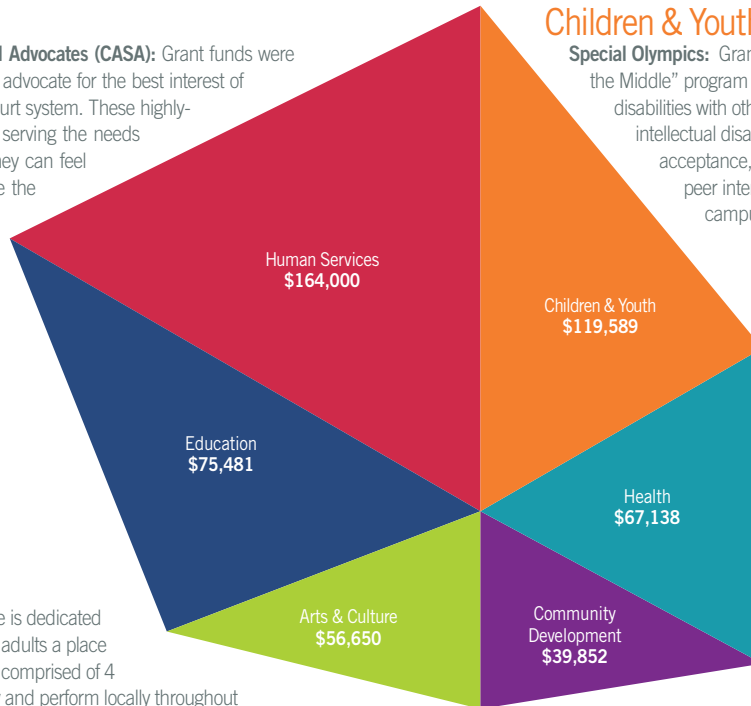

Special Olympics: Grant funds supported the "Meet in the Middle" program which pairs youth with intellectual disabilities with other students who do not have intellectual disabilities, and provides activities that foster acceptance, inclusion, leadership, and service. The peer interaction creates a positive culture on each campus, and establishes lasting friendships.

Health

Presbyterian Medical Care
Mission: Grant funds supported 1,077 dental patients served by the PMCM. An innovative partnership with Howard College enabled patients to receive preventative services and oral health education, while also giving the dental hygiene students an opportunity to obtain required clinical experience.

Community Development

Friends of the Abilene Public Library: The Abilene Public Library received support to move its south branch to a more visible and spacious area at the Mall of Abilene. The new space provides 20,000 square feet and will include enhanced programs for children and teens, and a multipurpose room available to community organizations.

regional & supporting organizations

Our local regional endowment funds bring the services and resources of the Community Foundation closer to smaller communities and outlying areas. These community groups have their own advisory boards which set direction and make grants, while benefitting from our fund development, grantmaking expertise, legal knowledge, infrastructure and administrative support.

\$68,200

COLEMAN COUNTY FOUNDATION —

Established in 1999, the Coleman County Foundation is providing a means for Coleman county residents to make a difference in their community. Last year, the Foundation awarded over \$68,000 in grants to agencies committed to making Coleman County better.

\$20,000

FRIENDS OF THE COLEMAN COUNTY FOUNDATION —

Friends of the Coleman County Foundation is designed for individuals who believe in the future of their community. Members contribute \$100 (or more) annually to build their fund and provide grants to agencies in Coleman County. For more information, visit colemancountyfoundation.com.

\$20,000

NOLAN COUNTY FOUNDATION —

The Nolan County Foundation Fund was launched in 2000 by county civic leaders wanting to make a positive impact in Sweetwater and Nolan County. Currently in fundraising mode, this group is working hard to build its fund for the good of Nolan County. For more information about the Nolan County Foundation, contact Carolyn Lawrence.

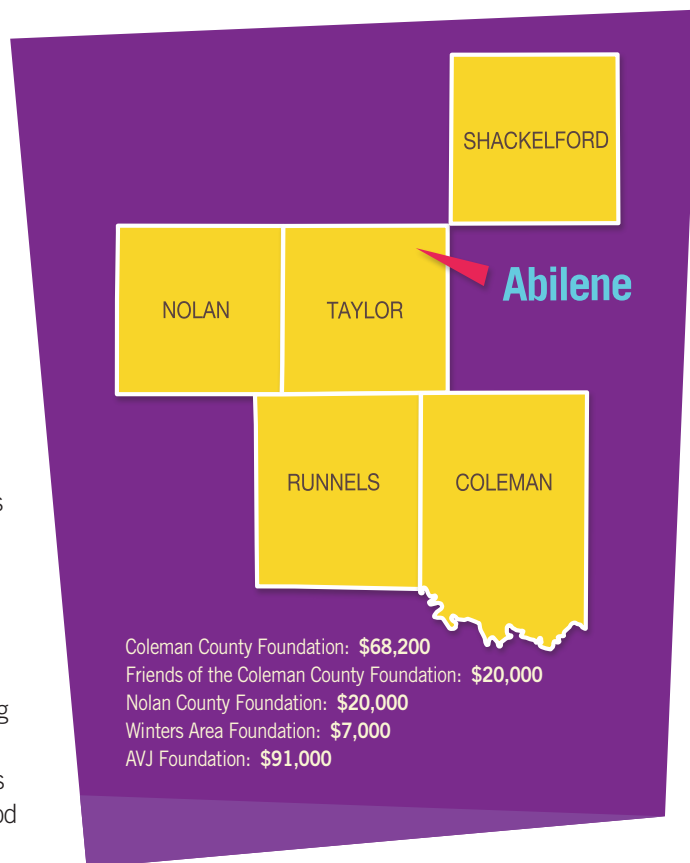

\$7,000

WINTERS AREA FOUNDATION — The Winters Area Foundation Fund was established in 2006 to assist in funding projects from education, health, libraries, museums, parks and other projects that go beyond the normal responsibility of government funding.

The Future of Winters Club is designed for individuals and businesses who believe in the future of their community. Members contribute \$100 annually to build their fund for the Winters area. For more information about the Winters Area Foundation, contact Susan or Randall Connor at 325-754-4542.

\$91,000

AVJ FOUNDATION — The AVJ Foundation was established by the A.V. Jones Family of Albany and Abilene in 1996. The charitable priorities of the AVJ Foundation focus on regional needs, with a particular interest in Albany and its educational and cultural activities.

"Funds designated for these areas are included in fund listings depending on fund types."

our bright donors – JULY 2015 - AUGUST 2016

We are so very thankful to you, our donors, for believing in the Foundation's mission and supporting it with your generous gifts each year. We gratefully acknowledge your gift and the impact it makes in our community!

AUDIT The Foundation annually engages the services of an independent accounting firm to perform an audit of the Foundation's Financial Statements. As part of its audit, the firm also reviews the internal controls and various policies and procedures to ensure the Foundation staff is adhering to the most current accounting practices. The Foundation's auditor, Condeley and Company, LLP, Certified Public Accountants, has issued an unqualified opinion on the Financial Statements for the fiscal year ended June 30, 2016. Audits and the IRS Form 990s are available upon request.

BALANCE BY FUND TYPE

INVESTMENT PROCESS The Foundation is focused on a long-term strategy for investing the community's philanthropic dollars. We understand that endowments are created to serve not only the current generation but many generations to come. The Community Foundation continues to stay the course and remains fully invested and diversified.
