

Grantee Information

Since its beginning in 1999, the **Coleman County Foundation** has awarded over \$1,181,918 to charitable, community organizations to enhance the quality of life in Coleman County. Over this next year, there will be two opportunities for agencies to apply for grants from the Foundation. The Coleman County Foundation Board will conduct the first grant cycle in the fall of 2022, with awards being announced in December. The Foundation's spring cycle is conducted by the **Friends of the Coleman County Foundation**, a volunteer and support group, which will review applications and make awards in March 2023. Agencies may apply for both cycles. The Foundation will consider funding for special projects, innovative programs, equipment, and building needs.

Grant Criteria

The chances of your agency's request being funded are substantially increased if the project:

- ◆ Promotes economic self-sufficiency of Coleman County;
- ◆ Proposes practical solutions to problems;
- ◆ Promotes volunteer participation and citizen involvement;
- ◆ Could not be accomplished with other sources of support;
- ◆ Is responsive to changing or emerging needs;
- ◆ Leverages or generates other funding or resources;
- ◆ Promotes cooperation among Coleman organizations without duplicating efforts;
- ◆ Addresses prevention as well as assistance for a problem.

Consideration is also given to the capability of the agency and its personnel to achieve expected results, the adequacy and professionalism of the budget, and the support and cooperation of agencies involved in similar projects. Site visits will be arranged if necessary or desired.

Generally, grants will not be awarded for the following:

- ◆ Maintenance expenses
- ◆ Medical or scholarly research
- ◆ Membership fees;
- ◆ Ticket sales for charitable fund-raising events;
- ◆ Church related activities unless they involve the entire community;
- ◆ Travel for groups, such as school classes, clubs, or sports teams;
- ◆ Capital debt reduction;
- ◆ Deficit budget expenses;
- ◆ Individuals;
- ◆ Political projects.
